

SUPPORT OUR RAFFLE

Week Without
Words

St Lucy's is a Catholic primary school for students with intellectual disabilities. We provide excellence in education that empowers students with the values, knowledge, attitudes and skills to flourish and participate fully in society.

Week Without Words (WWW) campaign, is our annual fundraising and awareness campaign to highlight the challenges of those who struggle to verbally communicate. For 95% of our children, conditions like dyspraxia, autism or cognitive difficulties make speaking an everyday challenge.

All proceeds from the WWW Raffle are used by St Lucy's to fund additional resources, programs, speech therapy and communication devices that enable our children to have a voice.
