

Sponsorship Opportunity Loreto Normanhurst Spring Fair

On Sunday 22 October 2017, thousands of members of the Loreto Normanhurst community will attend the biennial Spring Fair. This event is a highlight of the school community calendar.

It brings together the parents, the families and the extended school community at the largest fundraiser for the school.

The 2017 Spring Fair is an ideal opportunity for businesses to promote their products and services to an engaged Loreto Normanhurst community.

The video below captures the atmosphere of this spectacular day.
