

Parking Information for the Mother Daughter Dinner – Saturday 5th May 2018

Dear Parents,

We look forward to seeing you at the Mother Daughter Dinner, to be held at the Epping Club tomorrow evening. The night will commence with pre-dinner drinks in the Ballroom Lobby at 6.15pm, with formalities beginning at 7pm.

We have had a fantastic response, with the dinner being a sell-out. As we will be expecting large numbers for the event, and due to the regular high volume of traffic in and around the Epping Club and its surrounding areas, we encourage all attendees to consider their travel options beforehand and, if driving to the venue, allow plenty of time to find parking on the night. For your convenience, please find below directions to the venue.

The Epping Club has an underground carpark, with limited parking spaces available. Parking is also available at the Council Carpark on Rawson Street, in close proximity to the Epping Club. Alternatively, parking can be found on surrounding streets (Rawson Street and Bridge Street).

The Epping Club is located at 45-47 Rawson Street, Epping.

Coming from the North

Option 1

Follow Beecroft Road until the intersection with Carlingford Road (Mobil/7-Eleven Petrol Station will be on your right) and turn right onto Carlingford Road. Rawson Street is the first left after you turn onto Carlingford Road. The Epping Club is about 100m up Rawson Street on the right. The Council Carpark is just before the club on your right.

Option 2

Follow Beecroft Road until Kirkham Street and turn right into Kirkham Street. Follow Kirkham Street which will turn into Castle Howard Road and then into Murray Farm Road, cross the bridge which goes over the M2 Motorway and then turn left onto Midson Road.

Follow Midson Road until the intersection with Carlingford Road. Cross the intersection and continue on until you reach the roundabout (some shops will be on your right) and then turn left into Boronia Ave.

Turn right from Boronia Ave into Kent Street and then immediately left onto Bridge Street. Rawson Street will then be the second street on the left at the roundabout. Parking is available on Bridge Street; more parking is available further up Rawson Street if you turn right at the roundabout.

Coming from the South

If you are coming from Eastwood/Lane Cove/Macquarie Park area continue on Epping Road and stay in the left lane once you have passed the intersection with Langston Place/Blaxland Road and continue straight onto Bridge Street. At the roundabout, turn right which turns into Rawson Street, and then the club will be on the left.

Parking is also available on Bridge Street and well as further up Rawson Street if you make a left turn at the roundabout.

We look forward to sharing a lovely evening with you and your daughters on Saturday night.
