# Bearers of a Dangerous Memory: The Prophetic Legacy of Mary Ward

*Dr Elaine McDonald*

Dr Elaine McDonald is the Head of Policy and Practice at Dublin City University and a great proponent of the vision of Mary Ward and the educational legacy of the Loreto Sisters. Sponsored by the Loreto Sisters and Loreto Ministries, Elaine is undertaking a speaking tour of Australia across July/August 2019, including public lectures, visits to all eight schools and involvement in the LML Boards' Colloquium in Adelaide across 26-28 July. In each state Elaine will deliver a public lecture to which all friends of Loreto are invited.

Elaine will explore some elements of the life of Mary Ward that mark her out as a prophetic leader and introduce us to the resilience of the followers of Mary Ward in keeping alive her memory and vision. In doing this Elaine hopes that we will uncover parallels between the landscape of Mary Ward's life and the landscape of our lives as 'bearers of a dangerous memory'.
