Dear Parents/Guardians

I am writing to you on behalf of the Year 11 students of Loreto Normanhurst to ask for your support with 'Loreto Day', our School's major social justice and community event. Each year, Year 11 students raise awareness and much needed funds for a Mary Ward International Project or the work of the Loreto Sisters. Many of the disadvantaged people are young children, women and families who do not have access to life's necessities including access to running water, education, food and medical treatment.

One of the ways we assist the work of the students is by the selling of raffle tickets. We would be grateful if you could support our efforts by **donating something** that we could add to the list of prizes. By supporting the cause, your donation will help others and provide opportunities to young people who would otherwise not find support.

We are keen that our school community and the wider Loreto community be made aware of the companies and individuals who generously participate in this event. We will acknowledge your support through our school newsletter.

Thanking you in advance for your considering this request and partnering with us to transform the lives of others. The advocacy, awareness and funds raised will go a long way in helping others and providing much needed resources to those in need. Loreto Day this year will be celebrated on Friday May 29, 2020.

If you would like to donate something to contribute to our raffle, could you email me at jmadigan@loretonh.nsw.edu.au by Friday 13 March 2020 or contact me on 02 9473 7362. If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Justin Madigan
