

Parent Engagement and Education at Loreto Normanhurst 2021

Loreto
Normanhurst

It Takes a Village...

We appreciate the complexities that come with parenting, and the needs of growing healthy young women. We also know that the best student academic and pastoral outcomes are met when there is collaboration and authentic partnerships between schools and families. Much of our best work is done in a manner that speaks right to the heart of a Loreto education, in conversation.

We invite you to take advantage of the resources, expertise, offerings, community spirit and conversations available to you over the course of the year to ensure that together we can continue to grow our girls.

All Parents	Guest Presentation: We are excited to be launching 'Oak SEED', the Loreto Normanhurst bespoke program to support Social and Emotional Educational Development in our students. Please join us to hear from Dr Danielle Einstein, Clinical Psychologist, specialising in managing uncertainty to promote resilience and enhance adolescent wellbeing.	7.00pm - 8.30pm	Wednesday 24 February
