

Dear Year 7 Parents/Carers,

We are writing to invite you to our first function for 2021 – an informal, outdoor, meet and greet session on Sunday 7th March 2021. Due to COVID restrictions in NSW currently we need to restrict the number of people at each function location to 50 persons. As such, given the group sizes, only one adult and one child from each family can attend. Of course, if the restrictions are relaxed by the NSW government or there are multiple people unable to attend for any one group location we will advise that group that more are able to attend.

We hope that this function will be a starting point to get to know some families in your local area and further those connections independently.

Please review the groups below, the suburb/town you live in will show you which group you have been placed in for the purposes of this function. Please be advised that we have not been provided any personal information from the school for the individual families from Year 7. We merely know the number of families and in which suburb they reside.

For our Boarding Families. We would be delighted if you are able to attend this Year 7 Meet & Greet function however we understand the tyranny of distance may make this impossible. We are in discussions with the Boarding School to get the girls along to the afternoon tea location that is most practical to the school. If you are a boarding parent and are able to attend please pick "Option 8. Boarding Family" when you RSVP and advise in the comments section provided in the RSVP form which of the seven Group sites are most convenient for you and we will do our best to accommodate that location.

We hope you will be able to attend!

Regards

Your Year 7 Parent Reps
